

Human Resources

Save time and money with 100% school-focused courses by expert authors!

Train your staff with SafeSchools, the leading online safety training and compliance management system specifically designed for school employees.

SafeSchools benefits Human Resource professionals in a number of timesaving and cost effective ways:

- Perfect for New Hire Orientation.
- Clear and concise, 100% school-focused safety courses.
- Each course includes a quiz to verify retention.
- Easy to use for all staff; many courses are also available in Spanish versions.
- A full range of reports can be generated by individual staff, building, or district level progress to document compliance.
- **NEW! Policy Builder** allows you to upload, assign, and track your policy acceptance along with your safety training, all through the same convenient system.
